Dear *SEBASTIEN MAX JOSEPH PORTALIER*:

To continue processing your application, you must link your application to an online account.

To link your application to your online account:

- Search for “[link my application](#)” on Canada.ca and follow the instructions.
- Link your application within seven calendar days from the day you receive this letter for faster processing times.

After you create your online account, you will:

- get instructions to send us other documents we need
- see real-time information about your application status
- receive messages from us in your online account

When your application is linked to your account, you will no longer receive messages from us by mail.

If you choose not to link your application:

- It could take us longer to process your application.
- We will continue communicating with you or your representative by email or regular mail.

We thank you for your cooperation.
